4 CHAIRMAN WARFIELD: Good afternoon, ladies and  
5 gentlemen, and welcome to the holiday version of the  
6 Board of Police Commissioners meeting. My name is  
7 Jerome Warfield, chairman of the Board of Police  
8 Commissioners. We obviously do not have a quorum today.  
9 So, we will be meeting as a committee of one until  
10 others may or may not come. We will move forward that  
11 way, okay. We'll move forward until other commissioners  
12 come. We are expecting I know for a fact at least one,  
13 maybe two more. And if we do get a quorum, we will go  
14 ahead and do some official voting. At this time, I'm  
15 going to ask if our chaplain for the day -- I'm sorry,  
16 your name is not on my sheet.

17 REVEREND MYATT: Myatt.

18 CHAIRMAN WARFIELD: Reverend Myatt, if you  
19 could come and just lead us into our invocation that  
20 would be great. Thank you, sir.

21 REVEREND MYATT: Heavenly Father, we thank  
22 you, God, for this day. We come today recognizing that  
23 you are the God that has ordained this day. We thank  
24 you as we release peace in this room, order and  
25 structure. We thank you for all that you do all things

1 well. We pray your blessings upon our commissioners,  
2 upon not only commissioners but those who are gathered  
3 in this sacred place. In Jesus name, Amen.

4 CHAIRMAN WARFIELD: Thank you, sir. We  
5 greatly appreciate that. Again, my name is Jerome  
6 Warfield, Chairman of the Board of Police Commissioners.  
7 Serving with us today from the Chief's office is Deputy  
8 Chief Benjamin Lee. Sir, good to see you. I'm going to  
9 ask if sitting in for Secretary Anthony, sitting in for  
10 him is our attorney, Attorney Celia Banks Washington.  
11 I'm going to ask if she can introduce our staff for the  
12 day.

13 ATTORNEY WASHINGTON: Thank you, Mr. Chair.  
14 We have present with us today Dalph Watson, director of  
15 police personnel, Lieutenant Timothy Leach who is acting  
16 chief investigator. We have Mr. Robert Brown, our  
17 office manager. Recording today we have Sergeant Quinn  
18 and we have Wendy Boer as our court reporter. And I  
19 believe -- I don't believe I've missed anybody, sir.

20 CHAIRMAN WARFIELD: Thank you. We will again  
21 hold as relates to any voting issues that we have before  
22 us, which means voting on past agendas as well as voting  
23 on minutes and move straight to the Chairman's report.  
24 First of all, again, happy to see you all here. There  
25 are a few agenda items that we want to move fairly

1 expeditiously through the next few months. I just want  
2 to give you all a heads up of what those agenda items  
3 are. And certainly we will start this next week. We  
4 definitely want to respond as relates to the RFP  
5 information that was submitted to us by purchasing.

6 They were supposed to get back with us. We  
7 have not heard anything else from purchasing. So we  
8 will want to -- I want to produce my findings -- as I  
9 said at the meeting when we had them here, I want to  
10 produce my findings and share it with the members of the  
11 Board and make a recommendation to the Detroit City  
12 Council as relates to how we should move forth in towing  
13 overall.

14 In addition to the RFP situation, we also want  
15 to set a date that we may be able to get on track with  
16 our tow rules to get those firmed up hopefully by the --  
17 let's see. Today is the 3rd. Thank you. I'm looking  
18 at the calendar here. Today is the 3rd. And I'm off  
19 because I'm looking at Thursdays. So, hopefully by the  
20 26th, Madame Secretary, acting secretary attorney,  
21 hopefully by the 26th of this month, the Board can firm  
22 up all of its -- what it believes will be the changes  
23 and vote on them and then send that back out to the  
24 community so that the towing community at that time will  
25 have a 30-day period to look over it. And then in

1 August -- and I'm guessing around August the 30th -- at  
2 that meeting, we will be able to have our final public  
3 hearing on August 30th. And we can vote at that  
4 particular meeting the tow rules up or down officially.  
5 So, hopefully we can have the tow rules solidified and  
6 deal with any rotational issues at that particular time  
7 as well.

8 In addition to that, as you all know, I have  
9 along with a group of other former commissioners and  
10 community leaders introduced a motion or introduced an  
11 idea of the proposal of a millage, a public safety  
12 millage that would potentially put up to 500 more police  
13 officers, some fire fighters and EMS people back on the  
14 streets of the City of Detroit. Just to give you an  
15 update, we submitted that language to City Council. And  
16 we expect that this month, they would vote on that. And  
17 we will give you the dates that it will appear in front  
18 of the sub committee, the public safety sub committee as  
19 well as the general body of the Detroit City Council.

20 Without question, we need more bodies on the  
21 street. And you're not going to get more bodies on the  
22 street by continuing to cut. And so we want to do that.  
23 We have some provisions we believe in that millage that  
24 hold things where they should be or hold things where  
25 they are right now before any 10 percent cuts. So we

1 will talk about that at the City Council table. But  
2 that will be coming up this month as well. And  
3 certainly, we will be pushing for that.

4 So those are some of the immediate items that  
5 we want to do. We will also want to make sure that we  
6 firm up all of our annual reports. There are a couple  
7 of outstanding annual reports we want to get done and  
8 get done within the next 45 days to make sure that we  
9 live up to our charter mandate and responsibilities of  
10 getting those annual reports out. So we will be working  
11 on that.

12 And then finally hopefully by the end of this  
13 year, we will have made some very significant movement  
14 as relates to mediation. I am of the opinion and others  
15 are that mediation needs to be a part of our  
16 investigative process in solving -- I'm sorry, in  
17 resolving complaints for those who have filed against  
18 the City of Detroit Police Department. And we believe  
19 that mediation will help lighten the case load as well  
20 as straighten out some things with the citizens and the  
21 officers in a very professional but yet efficient way.  
22 So, we will be looking at those issues of mediation as  
23 well.

24 As the Chair said last week, we are still  
25 waiting on pending litigation to be resolved before we

1 move forward with any other issues for towing as relates  
2 to the tow rotation of certain individuals. Outside of  
3 that, that is the report that I have for today. And  
4 certainly, I would entertain any questions later during  
5 the oral communication portion of our meeting. Chief,  
6 do you have anything, Deputy Chief?

7 DEPUTY CHIEF LEE: We don't have a formal  
8 report today. But I do have with me DC Melvin Turner  
9 from community policing, Commander Frankie Lewis from  
10 CIB and Sergeant Brian Harris from the patrol operations  
11 bureau.

12 CHAIRMAN WARFIELD: Great. Thank you, sir.  
13 Well, we do have a grant on our agenda. But of course  
14 again because we do not have a quorum, we cannot act on  
15 that grant. So, we will do that and place that on the  
16 next agenda. Our next meeting will be Thursday, July  
17 12th, 2012. That will be our community meeting,  
18 6:30 p.m., in the 10th Precinct. We will be at Focus  
19 Hope over at 1400 Oakman Boulevard, 1400 Oakman  
20 Boulevard. That's in Detroit, 48238 of course.

21 At this time we will open up the floor for  
22 oral communications. If you wish to address the Board  
23 of Police Commissioners, you may come to the microphone,  
24 and you may do so at this time if you wish to address  
25 the Board of Police Commissioners.

1 MS. SEMMA: Good afternoon, Julie Semma from  
2 70's. I don't know if you guys are aware of this or  
3 not, but the supposed company that was awarded the RFP  
4 that won -- that the purchasing indicated was Auto  
5 Return, and Auto Return has contacted 70's Towing as  
6 well as all the other towers and wants to meet with them  
7 next week individually. I don't know what's going on.  
8 But I was told that everything was on hold. And why  
9 would they be meeting with us if this is on hold and  
10 there's nothing going on? So, I would like to know if  
11 you guys know anything about it or what the status of  
12 all that is. I know you kind of brushed up on something  
13 earlier. But I think there's a lot more going on than  
14 what we all know.

15 CHAIRMAN WARFIELD: Thank you. Certainly we  
16 have heard or at least I have heard of them making calls  
17 trying to set up meetings. I don't know exactly what  
18 their official position is right now as relates with if  
19 they officially have a contract or not. I'm going to  
20 ask if we can check into that and see exactly what the  
21 status is and why they are calling. My personal -- and  
22 I think the more prudent thing to do is to hold off  
23 meeting with any of them because from just what I  
24 understand, it's probably one of those deals to try and  
25 get a consensus. And, you know, I know there are a lot

1 of rumors that are floating out there. And so, as it  
2 stands right now, the Board of Police Commissioners,  
3 according to the Detroit City Charter, is the one who  
4 oversees the police towing permits and the police towing  
5 business. And so, until that changes by way of Detroit  
6 City Charter, that's going to be the way that we are  
7 going to conduct the business moving forward. And so, I  
8 would just hope that you all can hold off meeting with  
9 them until you at least hear what we have to say as  
10 relates to how we should move forward with the towing  
11 process in general. Again, I think that would be very  
12 helpful for all the towers if they can. We certainly  
13 can't demand that. But if they can, I think it would be  
14 better for it to happen that way versus the divide and  
15 conquer type meeting that I believe is about to take  
16 place.

17 MS. SEMMA: Okay. Thank you.

18 CHAIRMAN WARFIELD: Thank you. For the  
19 record, Commissioner White has joined us. Thank you,  
20 sir. Good to see you.

21 COMMISSIONER WHITE: Mr. Chair, good to see  
22 you.

23 CHAIRMAN WARFIELD: We still of course do not  
24 have a quorum yet. So we can't vote on any items. But  
25 in the next three minutes or so if she comes in, we will

1 vote. Are there any other comments for the Board of  
2 Police Commissioners? Any other comments? All right.  
3 Hearing or seeing none, we will adjourn the meeting.  
4 Thank you, ladies and gentlemen, so very much for  
5 attending. We hope you have a wonderful, safe and just  
6 you know lovely 4th of July holiday, extended weekend or  
7 whatever. Hopefully if you're getting away, be safe  
8 within your travels but have a good time. All right.
